Certificate validity.

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall processes utilised in the manufacture of the product, failure to so do could invalidate the Certificate in respect of product manufactured following the introduction of such changes.

The validity of the Certificate is also dependent on the maintenance of the annual assessment of the manufactured PPE, this currently being referenced in the Article 11B Certificate C5760 issued by SGS Yarsley International Certification.
